

Interview Tips

- ✔ **Research** the Host Employer online, familiarising yourself with what they do. LinkedIn and the company's website are a good start.
- ✔ **Read** the job description to understand what the role covers.
- ✔ **Prepare** questions to ask at the interview. They will always ask if you have any questions, and this shows the interviewer that you are interested!
- ✔ **Dress** appropriately - clean, smart clothes (even if the interview is online).
- ✔ Arrive 5-10 minutes **early**, as this shows you are keen.
- ✔ Running late or unable to attend the interview? Let your Kestrel Consultant know ASAP.
